Attention of Mr. Kraus

Dear Sir:

I am writing to acknowledge receipt of check for \$60.00 payment of compensation for three weeks for Leonard Pearson, a Member of the Newark Eagles Baseball Club, and to enclose signed forms that accompanied the check.

I also wish to go into Mr. Pearson's case in detail. He was injured in a ball game on June 22, 1941 at Ruppert Stadium, Newark, N. J. He returned to the line-up of the team on July 20th. It was very evident however that he was not playing the same game he had played before his injury, upon questioning he admitted the leg was still very painful. He was ordered to return to Dr. Willmer's care, this he did and has been under constant treatment ever since.

Two days ago, due to the fact that he reported to me he did not feel any improvement, I sent him to my personal Physician, Dr. Perry Chaney of New York City. Dr. Chaney proceeded to drain his knee, and expressed the opinion we cannot expect any further services from Pearson for this year, and it is a question how long he will be incapacitated.

I have paid Pearson's salary, which is a \$175.00 per month, to August 15th, and I am asking you to put him on compensation from that date. I will pay Dr. Chaney for his services to Pearson and will appreciate any refund of his salary to which I am entitled.

Very truly yours,
